Ability to adapt and make decisions

Open to new things
Like to learn new things to enrich his experience and knowledge.

Creative
Finds interesting ideas for new feature

Mamitiana Faneva ANDRIAHARIMANANA

Fullstack developer

Passionate about the IT field, my academic background has allowed me to acquire the skills to develop this passion. My goal is to use my technical expertise and problem-solving abilities to contribute to the success of constantly evolving organizations. As a fullstack developer, I thrive in dynamic environments where innovation and collaboration drive impactful solutions.

Education

Master 2 of BIHAR (Big data Intelligence for Human Augmented Reality)
Since Oct. 2026 ESTIA, Ecole d'ingénieurs Bidart, Biarritz France

Master's Degree in Computer Science
From Dec. 2025 to Sept. 2026 IT University Antananarivo, Madagascar

Bachelor's Degree in Web Development and Design
From 2020 to 2023 IT University Antananrivo
That's allowed me to acquire solid skills in :
- Mobile Development
- Project Manager Training
- Web design / Web optimization
- Database management

Scientific baccalaureate
From 2013 to 2020 Gallo Juinor private high school Antsirabe I, Madagascar
I completed my secondary education at the private Gallo Junior High School, where I acquired a solid academic background, which laid the foundations for my professional career.

Work experience

Developer .Net
Since May 2025 ICP Conseil` Remote
- Built robust backend systems using **ASP.NET Core**, improving application reliability
- Designed secure and efficient REST APIs used by frontend and third-party services

Mobile Developer
From Nov. 2024 to Jan. 2026 Seven7 Mada Antanandava, Madagascar
- Développement de plateforme mobile avec Flutter.
